

Performance Level Pricing and Information

Mission Statement

Our mission is to provide an athletic environment grounded in character development that allows each player to seek their potential through the lessons of competition, and training that embody the athletic spirit to succeed.

Our performance level programming is dedicated to develop young players into elite performance players. Our performance level programs also help develop later starting players who may wish to participate in league tennis or school programs.

All of our programs at Harp Performance are research based models that support athletic development, skill acquisition, and game development at every age and stage of development. All of our coaching follows ITF, USTA and NCACE standards for ages and stages of youth development.

Our programs for this level are priced at \$15.00 per hour for group drills.
